

G.S.A.C.

Girl Scout Astronomy Club of GSKSMO

What is Astronomy Club?

Our Girl Scout Astronomy Club is a unique, nationally recognized, STEAM focused Club for Cadette, Senior, and Ambassador Girl Scouts. Our club is partnered with Union Station's very own Planetarium Specialist Patrick Hess.

Our G.S.A.C. is a unique experience for any girl no matter where you are in our 47-county council! Whether you are already in a troop or participating individually, and are interested in STEAM, our club offers unique virtual AND in person experiences all year long!

Our GSAC Club Goals

- A community for girls to make new friends with girls who are interested in space science and STEAM.
- An environment that promotes the 3 keys to Girl Scout leadership.
 - girl-led
 - learning by doing
 - cooperative learning
- Provide opportunities for younger Girl Scouts to learn, lead, and grow in STEAM.
- Learn about the wonders of science in indoor, outdoor, and virtual settings.
- Council-wide opportunity, open to all Girl Scouts.
- Hold special events: overnights, planetarium shows, and field trips.

Is my Girl Scout eligible to participate in Astronomy Club?

Girls who want to participate in G.S.A.C. Girls must be:

- A Cadette, Senior, or Ambassador Girl Scout by the time of enrollment
- Interested in learning about STEAM, specifically Space Science.
- Willing to help plan, facilitate events for Girl Scouts of ALL ages.

What is included in my Girl's G.S.A.C. membership?

- Club T-Shirt - designed and voted on by club members!
- Club Patch (See image above)
- A YEARS worth of Experiences (meetings, special events, exclusive campouts and MORE)
- The amount you want to participate is up to your Girl!
- REQUIRED - Members are required to attend a minimum of 3 meetings and volunteer at at least 2 events in order to fully participate!

Check Out our Artemis Pledge!

Use the QR code to Check out our Artemis Pledge! This pledge will accompany NASA astronauts to the moon, so yes, our G.S.A.C is going to the moon, and we want you along for the ride!
